## Clinic Record

In order to be in good standing, members (or family members) must attend at least four educational clinics approved by the WC4HH. The member is responsible for recording and submitting their clinic attendance, and this form must be received/postmarked within 30 days of the event. **This record MUST BE filled in completely and correctly** in order to be accepted. Incomplete forms will be rejected. Audits will be performed when information irregularities arise. **NOTE: you must attend the entire clinic to earn clinic credit.**

*Please write clearly in ink. If multiple forms are needed, each must have a signature.*
